Camryn Toth

EXPERIENCE

Software Development Intern *May 2026 – August 2026*
AccumTech, Ann Arbor, MI

- Developed and deployed full-stack enhancements to an internal business analyst portal, improving existing features and addressing technical debt.
- Designed and developed a new portal page to streamline business analyst workflows, collaborating with users to clarify requirements and incorporate feedback throughout development.
- Navigated an unfamiliar codebase to understand its architecture and implement changes consistent with established coding conventions and development practices.
- Collaborated with a team of developers to complete tickets within an agile development cycle, participating in sprint meetings every two weeks.

Undergraduate Researcher *May 2025 – August 2026*
National Science Foundation REU Site in Digital Accessibility, Flint, MI

- Collaborated with a research team to co-develop three qualitative survey studies exploring consent communication experiences among deaf, hard of hearing, blind, and autistic individuals on online dating platforms
- Conducted literature reviews to inform methodological and survey design decisions, ensuring research rigor and relevance
- Facilitated data collection using Qualtrics, organizing results in Google Sheets and Miro boards for team analysis
- Contributed to drafting and revising a research paper with efforts toward publication at a leading human computer interaction venue

Graduate Student Instructor *August 2026 - Present*
Michigan Marching Band, Ann Arbor, MI

- Evaluated marching technique and processed assessment scores using a Jupyter notebook to generate summaries, select performers for upcoming show cycles, and set performance blocks.
- Instructed band members in marching fundamentals and evaluated student leaders' teaching effectiveness to support consistent technique and performance readiness.
- Conducted pregame and halftime performances, operated audio equipment, and supported band member safety during game-day activities

Section Leader, Rank Leader *August 2024 - May 2026*
Michigan Marching Band, Ann Arbor, MI

- Instructed new and returning members in marching fundamentals, developing their proficiency and readiness for performances.
- Led a 26 member section in marching and musical sectionals, supporting consistent improvement in individual and ensemble performance.
- Collaborated with the leadership team to address member concerns and foster section cohesion

EDUCATION

M.S., Information - UX Research and Design
University of Michigan
May 2028
GPA: 4.0/4.0

B.S., Computer Science
University of Michigan
May 2026
GPA: 3.805/4.0

SKILLS

Design and Research:
User research, Survey design, Qualitative analysis, Affinity diagramming, Prototyping

Programming and Frameworks:
C, C++, Java, Javascript, Python, HTML, CSS, SQL, React

Design and Collaboration Tools:
Figma, Miro, Qualtrics

Developer Tools:
Visual Studio Code, Visual Studio, GitHub

AWARDS/HONORS

- Michigan Council of Women in Technology Foundation Scholarship
- Howie and Betty Crull Scholarship Fund
- Woodruff Memorial Fund
- LSA Alumni Scholarship
- Michigan Competitive Scholarship
- Guilmette Family Marching Band Scholarship
- Donald R. Shepherd Scholarship
